Authorization for this examiner's amendment was given in a telephone interview with Wan Chieh Lee on September 25, 2008.

The application has been amended as follows:

Claim 25, line 1, delete "readable program product" and instead insert - - recordable medium - -.

***Allowable Subject Matter***

2. Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance: The allowability of the claims resides, at least in part, that the closest prior art of record **Haseley et al. (US 5,602,757)** and **Hays et al. (US 6,330,525)** do not disclose or suggest, alone or in combination:

As for independent claim 1, **the automation component further comprising a fingerprint device for selecting for measurement at least one type of movement of the machine from a plurality of different types of movements of the machine to generate an electronic fingerprint that is representative of a condition of the**

**machine, wherein the fingerprint device selects the at least one type of movement of the machine for measurement based on its determination of which plurality of movements, when measured, will reveal the electronic fingerprint that is representative of the condition of the machine,** in combination with the other elements and features of the claimed invention.

As for independent claims 17 and 25, **selecting, with the automation component, a set of parameters for measurement from a plurality of parameters that will uniquely identify a condition of the machine, the set of parameters associated with the at least one component of the machine and the plurality of parameters corresponding to different types of movement of the at least one component of the machine, and creating an electronic fingerprint representative of the condition of the machine,** in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
